### **KNOCKOUT BOYS' CRICKET ROUND 1 2024**

Last Tuesday our boys' cricket team hosted the round one knockout cricket contest against Calvary Lutheran. On what was supposed to be a cooler day after the stifling hot spell, our captain Chase Warburton went in to the toss of the bat hoping that we would bowl first. Calvary won the toss and elected to bat, which was what Chase wanted, so we could utilize the cooler conditions with the ball.

Calvary started pretty solidly without really bothering the scorers with too much with three maidens in the first five overs. After some early retirements, their captain Reheth entered the scene and played some commanding cricket shots, clearing the boundary a couple of times, to eventually retire on 27 runs. Our bowlers then really started to apply the pressure and wickets started to tumble. Wickets to Henry D, Sidney and Austin allowed us to wrestle back momentum. Chase then closed their innings with two wickets in two balls in the last over and our opponents finished on 5/71. We were really impressed with our tight bowling performance, highlighted with eight maidens for the innings.

The run chase started really well for our openers Hugo and Felix, with Hugo eventually falling for eight. Chase then lost his wicket to a fast delivery by one of their bowlers. Felix eventually retired on seven and that is when Finn entered the fore, blasting a quickfire sixteen before retiring with his last two shots finding the boundary. Henry D and Sid came and went quickly, while Pete, Jordan and Riley all retired gallantly, Henry M unluckily got a good cherry then debutants Austin and Owen finished our innings both not out. We passed their total in the 15<sup>th</sup> over finishing with 5 for 88 after twenty overs.

We were really wrapped with the team performance and now move on to round two in the boys' cricket competition – well done team. The key differences between the two teams today was our tight bowling and our willingness to run between wickets, although we took some risks particularly later in our innings, it definitely kept the scoreboard moving along. Special thanks to Michael Warburton for scoring on the day and it was great to see some parents come along and enjoy the game.

## LUNCH & CRUNCH 2024

Lunch & Crunch was another fantastic success. Seeing our children participate and compete in a volleyball carnival that catered for all ability levels was spot on. Many of our younger children experienced their first taste of competitive volleyball on the day and hopefully it has instilled some engagement with this great sport. Volleyball is a great pathway for our children as they can transition to high school at Heathfield with volleyball as a specialist subject. Lunch & Crunch and Spikezone competitions are definitely stepping stones towards this fantastic opportunity at Heathfield High. A big thank you to our teaching staff for being so flexible, facilitating our children to get out and to get active at Heathfield High – you're stars.

***We still have many families that have bus fees outstanding. Please don't forget to pay the \$5 to Bri at the front office if you haven't paid yet. Thank you to those families who have made this payment already.***
