Smartphone School Star App to Improve Communication with Parents

Aldgate Primary School will continue to use the free School Star App to assist with communication in 2019. School news, newsletters, event invitations, notices and general messages will now be sent through School Star as well as via email. Only Aldgate Primary School parents can access content in this highly secure app.

Keeping parents and the community informed is very important to us and we will be regularly uploading content to School Star. You will receive up-to-date current information, newsletters and important announcements within minutes of the school releasing the information!

With School Star, you get the following benefits:

- Receive school news immediately.
- Filter your news feed to see just the news that relates to your child.
- Receive important messages from the school through School Star, instead of by SMS.
