CROWS PRESENTATION AND CLINICS

On Wednesday we had the Adelaide Crows come in and present their Growing with Gratitude program called 'Positive Reflection'. After the whole school presentation, our Year R-2 children were treated to some great footy clinics down on the oval. Thanks for coming along Crows! Here are some student reflections from Ms Hyatt's class. We watched videos about the five positive places – Sidney.

The five positive places are home life, school is cool, fabulous friends, super sport and dare to dream – Austin. We got prizes when we answered the quiz questions – Adelise.

We had a special visitor. Her name was Jaimi. She plays for the Crows AFLW team. She is number 28 – Shannon. We had a relay race, kids versus teachers and the kids won. Yippee! – Lexi.

The Crows visit was fun because we got to do bumping – Hugo R.

I liked when I kicked the ball through the goals – Jasmine C.

SACA UNDER 12 JUNIOR CRICKET COUNTRY CARNIVAL 2020

On the 6th – 9th of January, Damir, Charlie and I represented the Fleurieu and Districts U12 team in a state cricket carnival held at Angaston in the Barossa Valley. We won three out of four games and finished third overall. We played on turf wickets which was an experience and I scored about twenty runs for the tournament. Charlie was the captain of our team. I stayed in a motel for two nights to save us travelling back and forward each day. I had a great time playing cricket and meeting new people from other areas.
